How can NCLab fit in my classroom? A group discussion on the different ways teachers can introduce and use NCLab to support standards-based STEM education in the classroom.

This event is offered at no cost to Nevada Ready 21 participating schools.

Become an NCLab Certified Educator

NCLab provides self-paced courses and tools that can be used on any device, anywhere. Each NR21 Chromebook comes with a license for the courses. Students can learn in a formal setting, or completely on their own, so teachers can make use of NCLab in many settings.

You'll Learn to:

- Use games as a strategy for learning
- Use NCLab in the classroom
- The different modules of NCLab, including Karel, Tina, and 3D Modeling
- Use NCLab to support standards in the classroom
- And more!

March 4, 2017. 8:00am - 4:00pm

Lunch Provided • Please bring an NR21 Chromebook

Instructional Design and Professional Learning Division
Clark County School District, Room 116
3950 S Pecos-McLeod, Las Vegas, NV 89121
